

DYNAMIC DAYS

Our extended therapy program uses a preschool model to foster social and emotional growth while enhancing communication skills through play, movement, and peer interactions.

Who

Children 2-5 years of age with developmental challenges. All children should qualify for speech-language and occupational therapy.

When

Registration is now open for the 2024-2025 school year! The school day is 9am-12pm M-Th with extended days offered. Register for 2, 3, or 4 days!

Where

We are located at Dynamic Therapy Specialists at 8316 Picardy Avenue, Baton Rouge, LA 70809. Our new location near Baton Rouge General Hospital.

Why

To get MORE! The program provides intensive learning opportunities with speech-language and occupational therapy throughout the day. Dynamic Days is facilitated by licensed therapists and targets specific goals for each child every day. Insurance may apply.
